

If you care, you'll want to catch

'The People's Emergency Briefing'

An eye-opening film featuring:

- nine leading UK experts updating us on the climate and nature crises and their impacts on our everyday lives
- Chris Packham hosting celebrities and ordinary people, whose reactions we witness

Melksham Assembly Hall

27 May 2026 — 7:00 pm for 7:30 pm

Admission free — book in advance or just turn up

Following the screening there will be an opportunity for discussion and letting your MP, Brian Mathew, know your reaction plus what you think we should do locally
